PC EXPRESS, Market Market Taguig City
December 2019 - January 2020

Maintained inventory system and keep updated

- 2-3 product categories assigned a week

Sell and promoted IT products

- Sold up to 12 different products a day

PROJECTS

Buddy Shop

- A full stack web application built using MERN technologies
- It aims to provide convenience to online shoppers.

Blackjack-in-js

- Fully built in HTML, Javascript and CSS
- Like blackjack in reality only fortunate player wins, however here player could have blackjack hero to possibly save his from losing to opponent.

Buddyz Travel

- My first static web application that I wanted to published to accommodate travellers to booked their tickets online
